Henry wants to restart the film series Green Party of Bay County used to have in the old library building. The library no longer allows free use of the meeting room, and does not permit collecting donations, so it was suggested that we look for another location. Kelly suggested Caffiends, and will check into it. The idea of guest speakers for future Green meetings was also suggested.

Henry talked about Move to Amend. He brought up the idea at state level, and it was well received.
