

Green Party of Bay County

Minutes from Meeting 17 January 2014

Meeting time: 5:30 pm -7:17 pm

Attendees: Henry Lawrence, Kelly Duncan, Derek Thomas

First Fridays

Bay Greens will have an interest booth at FridayFest. The DIB closes the streets at 4:30 pm and requests that set-up be completed by 5:30 pm. Please contact Henry Lawrence if you would like to help. We always need help at FridayFest.

Dates are as follows:

07 February 2014

07 March 2014

04 April 2014

02 May 2014

06 June 2014

11 July 2014

01 August 2014

05 September 2014

Earth Day

We are looking at the possibility of having a sit-down dinner to recognize sponsors of this year's event. One location discussed as a possibility is the Visual Arts Center. Kelly will inquire about the use of the facility, and about the possibility of having an environmental themed art show in conjunction with Earth Day.

Set out a bucket for donations to the Green Party of Bay County, the Green Party of Bay County will donate all monies donated to Henry Lawrence for his campaign.

Henry would like to give out plants at the Green Party of Bay County's Earth Day booth. He thinks he has enough aloe plants.

Baygreens.org

Kelly inquired as to how long the current site is paid for. Henry checked with Steve Wilkie, Steve said it is paid for 10 years. Henry will check to see if we have email addresses included in our web package provided by Go Daddy.

Henry will find out if the Green Party of Bay County can use the Bay County logo and incorporate parts of it into the Baygreens logo.

Film Series

Looking at February or March to restart the film series.

Saturday or Friday were determined to be the best days to have the film series. The library closes at 5:00 pm both days, though we can stay later in the meeting room.

The library charges a \$200 dollar refundable fee toward damages if we serve refreshments, and a non-refundable \$50 cleaning fee.
